

Fire Regime Condition Class Registration Codes – Use these codes for field 1 on all FRCC forms.

- First, look for the Region or State or Division of the land you are assessing.
- Once you have located the Region or State or Division, look for the land management area that best fits where the assessment is taking place.
- If you can't find a good fit for the area, contact the helpdesk for a registration code (helpdesk@frcc.gov).
